ENFORCEMENT ACTION

James F. McClung Registered Environmental Assessor (R.E.A.)

The Board for Geologists and Geophysicists issued a citation and fine of \$2,500 to James F. McClung, Registered Environmental Assessor (R.E.A.) No. 5032 for violation of section 7872(a) of the Business and Professions Code (Geologist and Geophysicist Act).

The citation was issued to James F. McClung, R.E.A. for unlicensed professional practice during conduct of an environmental site assessment in Goleta, California (Bus. & Prof. Code § 7872(a), practice of geology without legal authority). Mr. McClung signed a "Limited Phase II Groundwater & Soil Sampling Program" site assessment report, dated April 27, 2001, which was subsequently provided to the Santa Barbara County Fire Department staff without the required certified licensee signature or seal.

In accordance with section 125.9(d) of the Business and Professions Code which specifies that payment of the fine does not constitute admission of the violation charged and represents satisfactory resolution of the matter, James F. McClung, R.E.A. agreed to pay the fine and the case was closed on March 15, 2002.
